### QUERÉTARO Language and Culture Programs

The Querétaro programs began in 1986 and were designed specifically for students from Oregon's public universities. At the Universidad Autónoma de Querétaro (the UAQ), enroll in 200, 300, or 400 level language classes plus Mexican History and Literature. The city of Querétaro is located three hours NW of Mexico City. Students live with host families.

**Duration:** 5, 6, or 11-week summer options or a 14-week fall semester program

#### To participate:

- One year of college level Spanish or equivalent
- Sophomore standing or above
- 2.7 GPA or higher

#### Direct Enrollment: ITESM, campus Querétaro, or UDLAP in Cholula, Puebla

ITESM is a highly regarded private university system with strong Engineering and Business programs. Focus on language and culture or, with a higher level of Spanish, directly enroll in regular ITESM courses. Multiple housing options.

UDLAP, located in the state of Puebla on 130 acres, is known for both sciences and humanities. More advanced students of Spanish may opt to enroll directly in classes offered to local students. Multiple housing options.

**Duration:** Fall or spring semester or yearlong

#### To participate:

- Two (ITESM) or three years (UDLAP) college level Spanish
- Sophomore standing or above
- 2.75 GPA or higher
