Study in France! Learn more at ie3global.org

IE3 Global study programs in Lyon and Poitiers provide immersive study experiences with diverse academic options, on-site staff support, and multiple housing options.

Lyon is France's third largest city and the country's gastronomic capital. Students studying in Lyon experience an authentic French city with a vibrant cultural life. Academic options include programs for French language, Business (taught in English), and French & European Studies (taught in English) in addition to direct enroll options in all majors from French to Anthropology, Political Science to Agriculture.

IE3 Global's second site in France, Poitiers, is a small, student-focused city known for being relaxed and yet rich in culture. Poitiers is a modern center for industry, government, and education with architecture and history that date to the medieval period. Students can study French language and also direct enroll in a wide variety of disciplines at France's second oldest university.
